

MENU

Down at The Dog House we pride ourselves in providing simple food done well. We will not rush and compromise on quality or service but will take every order in turn and do the very best we can.

We batch cook in advance but sometimes due to customer demands we may run out from time to time but will always have an alternative. If the kitchen is really busy, the wait for food can become long. Please be patient but should you have to ask, be nice.

You are our customer, and we want you to have the best experience possible.

Any questions, always ask. Thank you, Duncan, Claire & Crew
